CORPORATE SOCIAL RESPONSIBILITY POLICY

INTRODUCTION

Recognizing that business enterprises are economic organs of society and draw on societal resources, it is **“Maheshwari Logistics Ltd”** (“Company”) belief that a Company’s performance must be measured by its Triple Bottom Line contribution to building economic, social and environmental capital towards enhancing societal sustainability. Company believes that in the strategic context of business, enterprises possess, beyond mere financial resources, the transformational capacity to create game-changing development models by unleashing their power of entrepreneurial vitality, innovation and creativity. In line with this belief, Company will continue crafting unique models to generate livelihoods and environmental capital. Such Corporate social responsibility (“CSR”) projects are far more replicable, scalable and sustainable, with a significant multiplier impact on sustainable livelihood creation and environmental replenishment. These initiatives are independent of the normal conduct of MLL’s business. Programmes, Projects and activities (collectively “CSR Programmes”) carried out in this regard are the subject matter of this policy.

PREAMBLE

Company seeks to be a good corporate citizen in all aspects of its operations and activities. It is the Company’s intent to make a positive difference to society. It recognizes that it cannot do it all, so that if there are choices to be made, prioritization will be towards doing fewer projects with greater impact and focusing initiatives on communities in which the Company lives and operates. We not only acknowledge but firmly believe in the fact of giving back to the society thereby inspiring, facilitating and supporting entrepreneurs come to us naturally.

VISION AND COMMITMENTS

Our vision is to drive “holistic empowerment” of the community through implementation of sustainable initiative which will have maximum societal impact by identifying the critical needs and gaps.

We shall remain committed to the following operating principles:

- Conducting business in a socially responsible and ethical manner;
- Supporting human rights;
- Engaging, learning from, respecting and supporting the local communities and cultures with which we work.
